

### FAM-ALLY

*Fixed Asset Management...  
Simplified!*

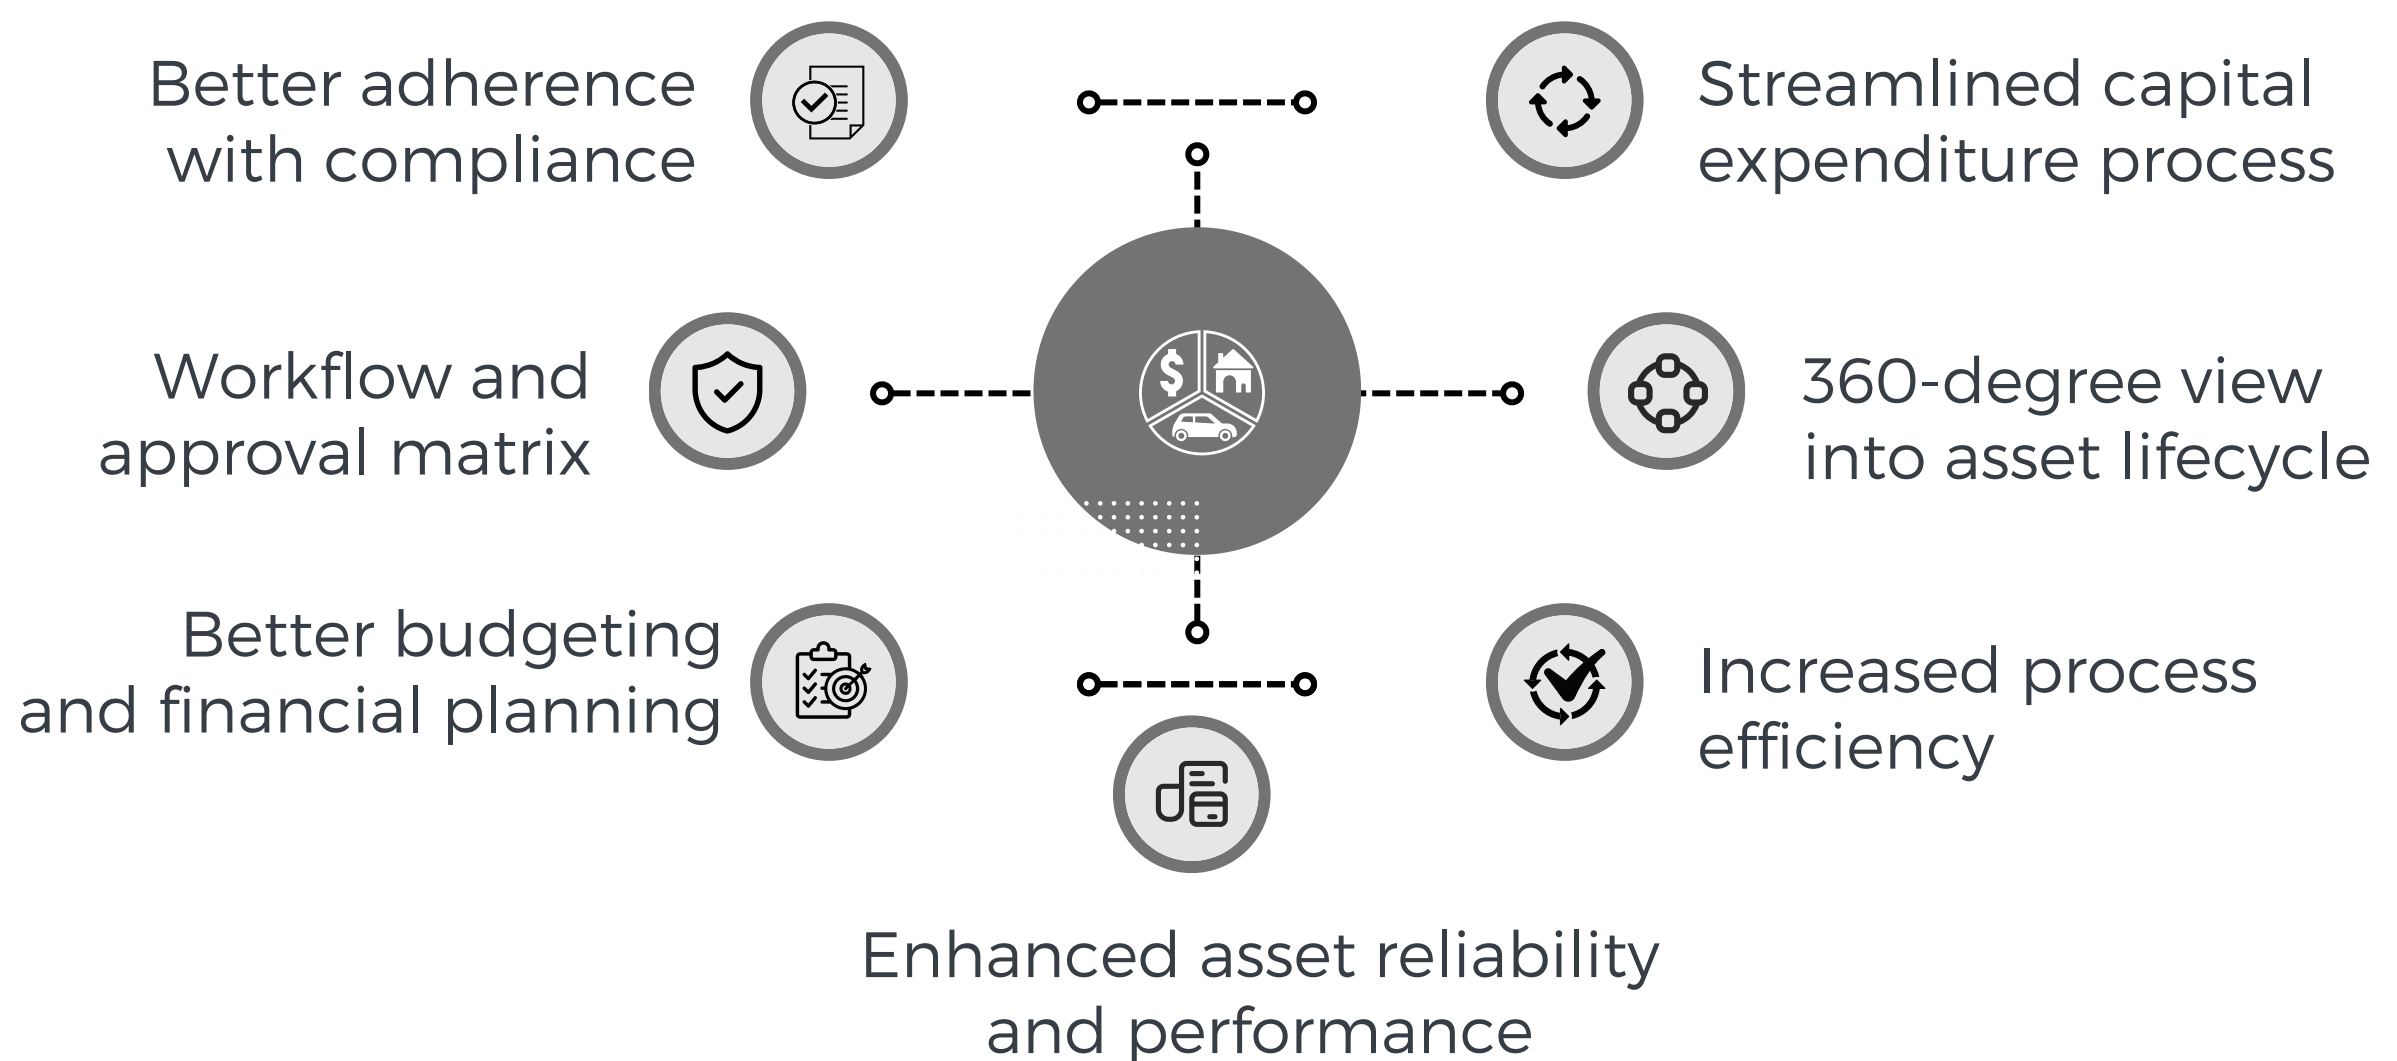

A cloud based all-inclusive Fixed Assets Management Solution that automates the entire life cycle of a fixed asset from commission to retirement and provides complete visibility to the users. The system digitizes end-to-end lifecycle of the assets and acts as a repository for all the documents.

### Key Modules

- ✓ Digitize Asset Management
- ✓ Asset Tracking
- ✓ Barcoding and Tagging
- ✓ Asset Issuance and Recovery
- ✓ Depreciation
- ✓ Physical Verification and Audit
- ✓ Movement Management
